

ELECTRIC POWERED TOWING TRACTOR

2TE

1.5 and 1.8 ton
Series

Supreme Performance with an Environment-friendly Worksite

Toyota introduces 1.5 and 1.8 ton series battery towing tractors with Toyota's new AC technology. The towing tractors with high towing capacity and maneuverability are a powerful partner of airport logistics and baggage handling throughout the world.

High Maneuverability

It realizes a wide and clear view from the seat to operate the rear drawbar hitch.

Easy maintenance

Easy Battery Change (OPT)

The battery roll-out type realizes easy battery change using a forklift.

The simple-structured AC system and wide hatch offer easy maintenance.

The model shown is equipped with optional equipment.

ELECTRIC POWERED TOWING TRACTOR

2TE

1.5 and 1.8 ton
Series

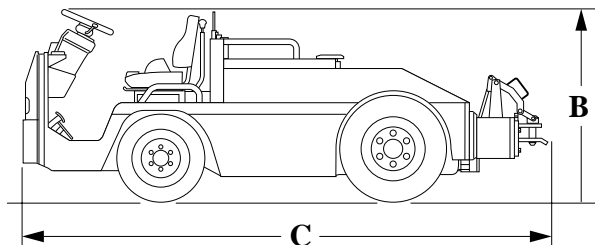

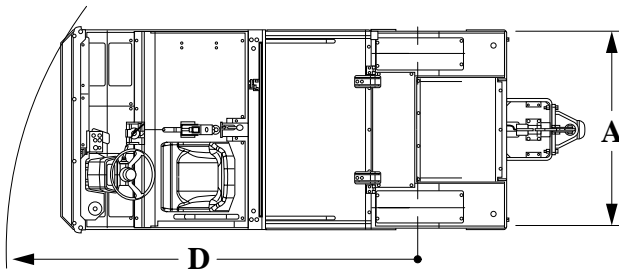

The model shown is equipped with optional equipment.
